

Dahle 30430 Department Shredder

Professional Series

30430

1/32" x 7/16" Shred Size
 7/9 Sheet Capacity
 Security Level 5
 1 1/4 Hp Motor
 Full Automatic Features

Known for its power and waste capacity, this Dahle Department Shredder provides a practical solution for accommodating the shredding needs of even the busiest offices. This is a security Level 5 machine and considered espionage safe for extremely high demands of document security. Its attractive design and large waste bin make this a nice addition to any large office, copy room or communications center.

The Dahle 30430 has a maximum sheet capacity of 7/9 sheets at a time and features a large capacity waste bin capable of holding 35 gallons of shredded material. It features state-of-the-art electronics that are easily controlled by a user friendly control pad. Soft touch

buttons provide the ability to choose between auto on/off, continuous run and reverse. LED status indicators display warnings for Door Open, Bag Full and Overfeed.

Properly oiling this Department Shredder is the key to maintaining optimal performance. Due to its function, this Department Shredder will be placed in a common area and have multiple users. As a smart alternative of ensuring your machine receives proper oil, we recommend adding an Automatic oiler.

Touch pad with LED indicators ensure you have total control of all shredder functions.

Contemporary wooden cabinet houses shredded waste and deafens noise for quiet operation.
