

WORLD'S FASTEST

0 to ready in 60 seconds

HeatSeal® QuickStart™ H420 and H320 **Ready when you are**

Laminate and warm-up incredibly fast, making both models 5 times faster than the competition.

It's easy to finish 10 – 14 documents in the same time other models have produced just one. With state of the art JamFree and Quick Release technologies, the HeatSeal QuickStart combines seamless performance with speed and ease.

Features and benefits

- Fastest warm-up: Heats up in only 60 seconds
- Fastest finishing: Twice as fast as competitive pouch laminators
- Jam-Free technology: Ensures seamless performance
- Easy as 1, 2, 3: Touch button control removes guess work
- Exclusive Quick Release technology: For any mis-fed documents
