# B34 Professional Shredder

## Large Volume, High Performance

sc cuts:  
1/4" • 1/8"

- Uses Energy Management and Control System (EMCS) — dealing with energy in sensible manner  
**Energy consumption reduced up to 90%**
- Automatically switches to energy-saving mode in 2 minutes after last use; switches off entirely if not used for 4 hours; temporary mode for small shredding jobs; and permanent mode for large shredding jobs
- Multi-functional control key with reversing function and shred-bin level indicator
- Removeable waste container
- Folding safety element
- Cuttin rollers are V-TEK by HSM with specially hardened stell rollers. This optimum design of all cutting unit components saves valuable energy.
- Continuous motor operation.
- Shreds documents with a pleasantly, quiet operating sound.
- Mobile on casters

| Specifications                     | Strip Cut             | Cross Cut                      |
|------------------------------------|-----------------------|--------------------------------|
| Cutting size                       | 1/8" • 1/4"           | 3/16" x 1 1/8" • 1/16" x 9/16" |
| Security level                     | 2 • 2                 | 3 • 4                          |
| Cutting capacity per run in sheets | 25-27 • 30-32         | 20-22 • 13-15                  |
| Cutting speed                      | 17 ft./min.           |                                |
| Throat opening                     | 12.2"                 |                                |
| Motor at max. no. of sheets        | 650 W                 |                                |
| Voltage                            | 115 V/60 Hz           |                                |
| Motor Power (Horsepower)           | .87                   |                                |
| Dimensions (W x D x H)             | 21.3" x 33.3" x 17.3" |                                |
| Weight                             | 72 lbs.               | 77 lbs.                        |
| Shred-bin volume                   | 20.4 gallons          |                                |
