SEM 1201P Cross-Cut Shredder

Technical Info

- Rugged, high capacity performance in a quiet, attractive package.
- This shredder boasts a number of environmentally friendly features including low power consumption, exclusive fan press to compact waste, noise reducing insulation, and more.
- This cross cut shredder reduces particles to .24" x .56" making it one of the smallest "Cross Cut" systems in the market. The 1201P provides rugged, high-capacity shredding in a quiet, attractive package that features many "Green" values. These include:
- Low power consumption, Integrated Fan Press to compact waste for reduced bag changes and insulated motors and cabinets making this unit the quietest in the industry. In addition, the "all natural lubricant's" used in the design allow for the elimination of oil...thus reducing the overall TCO (Total Cost of Ownership).
- The 1 HP motor requires only a standard 115V/15 AMP Power outlet.
- Shreds up to 45 Sheets.
- Available in 220V and international voltages - special orders
- SEM 1201P Cross Cut Medium Duty Paper Shredder
- Semshred 1201P
- Model Number: SEM 6001201P
