SEM 3140S Strip-Cut Shredder

- The Model 3140S is a Medium / Heavy Duty STRIP CUT Shredder that is ideal for office and/or departmental use. It features auto start/stop and a wide 16" feed opening. It has additional manual start/stop/reverse buttons; modern visual display with "ready to operate" indicator; automatic reverse in case of paper jams; bag full and door open shut off; electrically secured door and a solid steel cutting head. It produces a Strip Cut waste particle that is 5/32". The unit also includes a SPS System (Safety Protection System). The SPS is an electronically controlled safety flap in the feed opening as an additional safety feature to help prevent industrial accidents and/or overfeeding.
- Shreds up to 35 Sheets.
- Available in 220V and international voltages - special orders
