Mobile Stand Spec Sheet

AVAILABLE FOR 78" 80" & 90" TOUCHIT BOARDS

technology at your fingertips

TOUCH-BASED INTERACTIVE WHITEBOARDS AND MORE...

Product Details

The mobile stand is available for the TouchIT Board to fit the 78" (16:9) 80" (4:3) 90" (16:9) - Please specify at time of purchase

Delivered 'flat-packed' the stand is quick and easy to assemble.

High quality position lockable wheels ensure that the TouchIT Board can be moved around easily, but secured in place to be used interactively.

The TouchIT Board mounts to the mobile stand in exactly the same way as mounting to a wall. Metal Brackets hold the board in place.
